

SCARCE's 2008 Annual Gym Shoe Rescue for Nike's *Go Places* program

We are excited to be participating, again, in this annual collection of used gym shoes!

Drop-off dates are between April 22nd and May 20th. Drop-off site is SCARCE headquarters: 799 Roosevelt Road, Building 2, Suite 108.

We encourage everyone to also hold a cell phone recycling collection. (This helps defray the cost of the gaylords [boxes] we need for shipping the shoes off for recycling.)

Please follow the steps below to help make this Gym Shoe Rescue an even bigger success!

1. Contact SCARCE to let us know you will be collecting gym shoes, phone **630-545-9710** or email ecoed@sbcglobal.net.
2. You are welcome to check out our Nike Kit (videos & sample materials made from the recycled shoes for teachers) to *kick off* your collection.
3. Guidelines:
NEW POLICY: Shoes NO LONGER should be tied or bound together!, Also...PLEASE COUNT the shoes.
 - NO spikes or cleats accepted.
 - NO dress shoes, slippers, sandals, or *anything that is not a GYM SHOE*
 - Please donate all shoes that are still good to a local charity or resale shop. *Reuse beats Recycle!*
4. Please let us know ahead of time when you plan to bring your collected shoes to our SCARCE headquarters in Glen Ellyn, during the following times:
 - **Monday thru Friday 9:30-4:00**
 - **Tuesday 12:00-6:30**

All shoes to be recycled will be sent to Nike to be ground into new playgrounds, running surfaces & basketball courts as a part of their *Nike Go Places* program, formerly Nike's Reuse-a-Shoe. Visit www.nikego.com for more details.
